

THAMES PATH 20th ANNIVERSARY WALKING RELAY Source to Sea Saturday 9 to Sunday 24 July

In July 2016 the Thames Path National Trail will mark its 20th Anniversary with the THAMES PATH NATIONAL TRAIL 20th ANNIVERSARY WALKING RELAY - Source to Sea in Partnership with The Ramblers. The Relay will consist of a series of **Rambler led walks** along the entire length of the Thames Path National Trail and on to the Thames Path Extension to Crayford Marshes. The 15 National Trails are the best quality trails in the UK. The Thames Path is one of the most popular. Twenty years of enjoyment whether for recreation, health, leisure or - in some places for commuting, is certainly worth celebrating! **The Event runs from Saturday 9 until Sunday 24 July.**
